

FREE GREEN ORGANICS

DROP OFF DAYS | ADELAIDE HILLS

Green organic drop off days are one way that Council helps residents to prepare for bushfire danger season and maintain green organic waste on their property. Green organic waste will be turned into high quality mulch, soil and compost products.

To assist with Fire prevention, Adelaide Hills Council offers a number of free green organic drop off days throughout the year. Residents are invited to drop off green organic waste to the prescribed locations on the dates scheduled below.

Outside of these dates, green organic waste can be disposed for a fee at the Heathfield Resource Recovery Centre.

Upcoming free green organics drop off days
